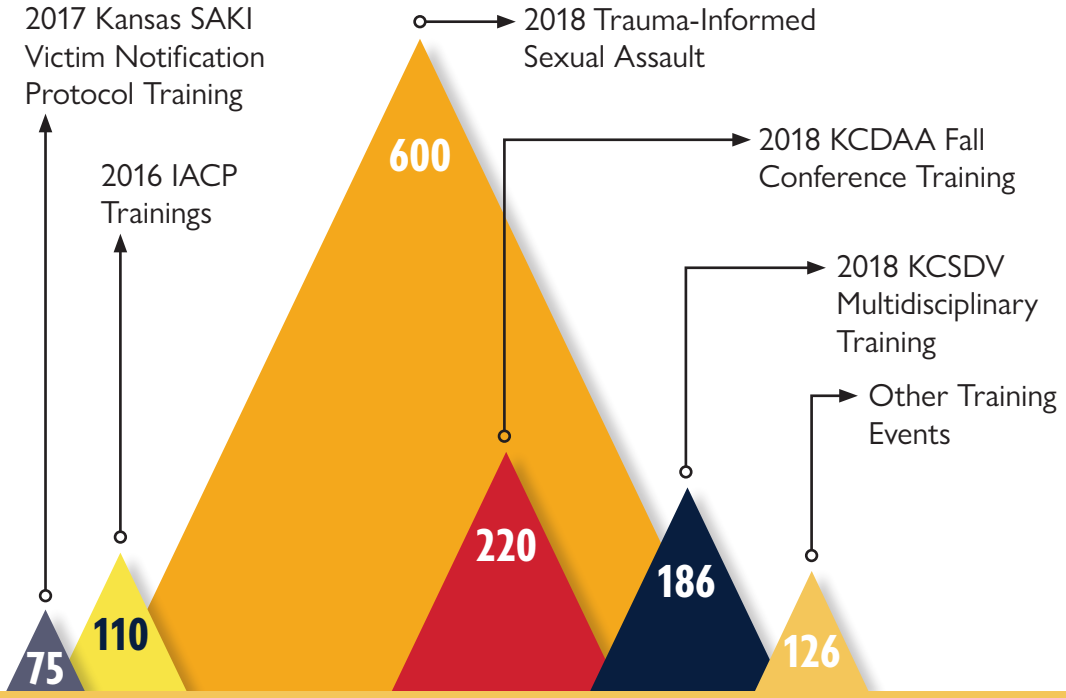
LAW ENFORCEMENT	43%
LEGAL PROFESSIONALS	21%
ADVOCACY PROFESSIONALS	20%
MEDICAL PROFESSIONALS	7%
OTHER	6%
COLLEGE	2%
MILITARY	1%

"The most valuable part of the training was that changing the culture is key to ending sexual violence and having courageous conversations. Also, the concept of switching to offender-focused investigations."

Training Attendee

All Sexual Assault Kit Initiative Trainings

1,317 TOTAL PROFESSIONALS TRAINED



"The trauma informed interview is something I can use for many other cases. In major cases I have already completed, victim responses and statements during interviews make far more sense."

"Eye opener! I think this training, if implemented to more people, can help make a culture shift. Over time I think some of the stigmas will be diminished through trauma informed first, second and third responders."
